9 Adekunle Fajuyi, GRA Ikeja, Lagos, Nigeria

<http://www.bungalowrestaurant.com/>

The restaurant from Lagos offers **143** different **menus and drinks on [the menu](#)** at an average price of 7,980 ₦.

The restaurant formerly known for its excellent pizza has unfortunately declined in quality, as multiple patrons expressed dissatisfaction with their meals. However, the ambiance at Bungalow remains appealing, with a range of seating choices and a beautiful location. Some diners enjoyed their meals, such as the delicious spicy wings and well-prepared burger, but there were also instances of food being subpar, like over-dried meat and hard wings. Despite some service issues, such as delays in being attended to by waitstaff, most patrons found the experience enjoyable. Overall, while there are areas in which Bungalow can improve, such as faster service and revamping the ambiance, it seems to have potential to further satisfy customers with its diverse menu offerings.
